

Our Life Mission: 2024 End-of-Year Report

To Our Faithful Partners and Supporters,

As we close out another year of ministry, we are overwhelmed with gratitude for all that God has done and for the faithful support of each of you who have partnered with us in this mission. This past year has been one of growth, transformation and provision. We are excited to share the impact your prayers, giving and service have made in the lives of so many.

**The Mission:** “Sharing the hope of Jesus Christ with those who believe they are hopeless”

**Church Growth and Spiritual Impact:**

Through God’s grace the churches we have planted have continued to grow spiritually and numerically. More individuals and families have committed their lives to Christ and we have seen a deepening of faith in many believers. Baptisms have been a significant milestone and we rejoice as we see lives renewed and transformed by the power of the Gospel.

In addition to church growth our outreach efforts have extended to four communities. We have partnered with the local schools in these communities to provide reading materials and establish libraries for children who otherwise would not have access to books.

**Children’s Home and Education:**

Our Children’s Home continues to be a beacon of hope and love for the little ones we serve. More than just providing shelter, we are committed to raising these children in the knowledge of Christ while also ensuring they receive a quality education. We believe that investing in their future will impact generations to come thereby breaking the cycles of poverty and giving them the foundation for a better life.

**Community Outreach & Humanitarian Aid:**

Thanks to your generous support, we have been able to assist hundreds of families in need through our outreach ministry. This year your giving helped us provide:

- Bread Ministry: Over 50 families receive fresh bread twice a week.
- Food Distribution: We distributed over 25 tons of food to struggling families.
- Christmas Packages: More than 1,000 children received Christmas packages filled with gifts, food and love, ensuring that they felt remembered and cherished during the holiday season.
- Clothing & Shoes: Throughout the year we have provided essential clothing and footwear to families as God has provided resources.

Your contributions directly impact lives by bringing both practical help and spiritual encouragement to those who need it most.

**Agricultural Support:**

Our farm project, “Raising Hope”, has been a tremendous blessing to the communities we serve. Through sustainable agriculture we have been able to provide long-term food security for families.

- Livestock Assistance:
  - We successfully raised pigs to provide for families in need. A mama pig due in June will soon bring new piglets that will help sustain three more families.
  - We distributed over 20 goats to families providing them with a consistent source of milk for daily nutrition and the opportunity to become more self-sufficient.

This project is transforming lives by giving families the means to provide for themselves. This ensures that they not only receive help but also gain independence and stability for the future.

### **Serving the Roma Community:**

Our mission continues to focus on reaching and uplifting the Roma people who have historically been marginalized and overlooked. Through Our Life Mission we are showing them the love of Christ, reminding them of their value and worth and helping them integrate into their communities with dignity and hope.

God has opened many doors for us to break down barriers, share the Gospel and provide vital resources and support to these communities.

### **We are actively ministering in the villages of:**
